

Lake Mohawk Country Club Dock Slip Request Form

Please be advised that there are eleven (11) club owned docks in addition to the Lake Mohawk Marina on the main lake. Each Dock is operated and maintained by the various Beach/Dock Associations organized, recognized and authorized under LMCC By-Laws. Each of these Dock Associations have their own rules, regulations and procedures for dock operations and maintenance. They maintain their own waiting lists. By completing this Dock Slip Request Form, as a courtesy, your information will be distributed to all Dock Chairmen. Further contact with you will be made by the Dock Chairs. This does not preclude you from contacting any Dock Chairman directly. Please also note that dock slips may be assigned by certain criteria such as size, type, length, and beam of boats. Email the completed form to lmccdocklist@gmail.com.
